3. PEDIGREE PROOFS

a) You will receive email notification when your pedigree proofs are available to view on your Tattersalls Online Account. Vendors are reminded that they alone are responsible for the accuracy of their catalogue details and they are advised to check these proofs with care.

b) Any requested amendments to these pedigree proofs should be sent to us immediately via your Online Account at the Tattersalls website (www.tattersalls.com) by the following deadlines.

- December Yearling Sale by **Monday 19th October**
- December Foal Sale by **Wednesday 23rd September**
- December Sale Mares etc by **Thursday 8th October**

c) After this date any important amendments or updates will be on the updates page of the Tattersalls website and announced at time of Sale.

d) Proofs are sent to you as Consignor. Where there are other owners you should send a copy of the proof to them for this purpose.

e) Any requested pedigree proof amendments will only be made if in line with Tattersalls and SITA/ICSC criteria. These are available to view in the 'Notices to Purchasers' section at the front of the catalogue.

4. CATALOGUING

December Yearling Sale Lots will be catalogued alphabetically by the name of the dam – **2026 Starting Letter = F.** December Foal and Mares Sale Lots will be catalogued at the discretion of Tattersalls. If Vendors wish to know where their Lots have been catalogued, they are advised to contact Tattersalls on the following dates.

- December Foal Sale on **Tuesday 22nd September**.
- December Sale Mares etc. on **Wednesday 7th October**.

5. VENDOR OWNERSHIP (See Condition of Sale 9.10)

Please refer to this Condition to see what is required where there has been any change in the ownership of a Lot between the date of the Sales Entry Form and the time at which the Lot is put up for auction.

6. REGISTRATION COSTS

Where costs are incurred by a Purchaser in registering a Lot as catalogued or in obtaining all required registration papers for a Lot, these costs will be the responsibility of the Vendor. Vendors of Lots coming from overseas must apply to their Stud Book Authority for export certificates to be sent to Weatherbys.

7. INSURANCE (See Condition of Sale 8)

Vendors and Consignors are reminded of their responsibilities as employers regarding liability insurance.
We also strongly recommend that equine insurance cover is arranged against mortality and theft (See Condition of Sale 8).

8. REPOSITORY

Pre-Sale X-rays, video endoscopies and other stipulated information may be lodged in the Tattersalls Repository. The Repository Rules are printed in the catalogue and may also be viewed via the Tattersalls Website (www.tattersalls.com).

9. DOCUMENTATION

Documentation requirements for this Sale are available on the Tattersalls Documentation Notice for this Sale and listed on your Online Account. Template certificates for completion by your vet are available to download from the Tattersalls website, www.tattersalls.com/documentation.php

10. PRESENTATION OF LOTS

a) Vendors should send their horses to Newmarket at least 48 hours before the time of Sale (or where there are entry restrictions, at the time stated in the in the catalogue) to facilitate inspection by prospective Purchasers.

b) Someone must be in attendance to show horses from 8.00 am until the end of the day's Sale or until the horse is sold and contact has been made with the Purchaser.

c) Vendors should take their Lots to the pre-parade ring as soon as they are summoned by Tattersalls staff and at least half an hour before they are due to enter the Sale Ring.

d) Tattersalls recommends that horses should be handled in either a bridle or a headcollar with a chifney. Additionally, we advise that foals are handled using a headcollar with foal bit.

11. SALES PROCEDURE

a) Vendors and their staff are requested to always observe good Health and Safety practices.

b) Vendors are reminded that only hay and straw are provided; the Vendor must supply other feed.

c) Head-collar numbers must be collected from the Control Office on arrival. These should be worn when Lots are being shown and when presented for sale.

d) When a Lot is to be X-rayed, this must only take place in the designated veterinary boxes.

12. BLOOD TESTING (DRUGS AND PIROPLASMOSIS) (See Condition of Sale 23, 25 and 26)

Vendors should note that horses sold will be subject to the following testing, outlined below.

HORSES IN AND OUT OF TRAINING	Anabolic steroids, Bisphosphonates, Clenbuterol, Corticosteroids, Non-steroidal anti-inflammatory drugs, Piroplasmosis
YEARLINGS	Anabolic steroids, Bisphosphonates, Clenbuterol, Corticosteroids, Non-steroidal anti-inflammatory drugs, Piroplasmosis
TWO-YEAR-OLDS (February Sale Only)	Anabolic steroids, Bisphosphonates, Clenbuterol, Corticosteroids, Non-steroidal anti-inflammatory drugs, Piroplasmosis
BROODMARES	Piroplasmosis
STALLIONS	Piroplasmosis
FOALS	No testing

13. PERMANENT IMPORT TESTING (see Condition of Sale 24)

Vendors should note that Tattersalls may be notified by the British Horseracing Authority (BHA) that a Lot requires to pass a BHA Import test to be trained and/or raced in Great Britain.

14. WIND RETURNS

Vendors of Horses In Training (including Breeze Up Lots) are reminded that where such Lots are referred to Tattersalls for their wind they will normally be tested under ridden exercise at the Warren Hill gallop (see Conditions of Sale 10, 11 and 12). For all Lots returned to Tattersalls under Condition of Sale 10.8 (a) or (c) a fee of £650 will be charged to the losing party. This fee is to cover in part expenses incurred in the testing of the Lot. Where a Lot so returned is adjudged to be returnable to the Vendor the fee will be deducted from the Vendor's proceeds in lieu of commission. When a Lot so returned is adjudged to be non-returnable to the Vendor, the fee will be added to the Purchaser's account.

15. IMPORT DOCKET SCHEME

a) Tattersalls GB has a special agreement with H M. Revenue & Customs (HMRC) to use the "Docket Scheme" for horses being imported for sale at Tattersalls.

b) The Docket Scheme allows non-UK Vendors to send their horses to the Sales without having to pay import VAT at the point of entry. It also removes the requirement on the Vendor having to register for VAT in the UK. The Docket Scheme may only be used by Vendors for horses based outside of GB and Northern Ireland.

c) Unsold Lots will need to be exported back out of the UK for the import VAT to be zero rated.

16. SALES WELFARE GUIDELINES

Tattersalls support the TBA's Sales Welfare Guidelines and encourage all vendors to carefully read the information available on the TBA website here: https://www.thetba.co.uk/equine-health/welfare/sales-guidelines.html

17. PARK PADDOCK INFORMATION

a) Hospitality and Tack Boxes

All electrical equipment that is brought on site requires a valid PAT test certificate. Please ensure copies of the certification are sent to Paula Lucas paula.lucas@tattersalls.com prior to the sale or held within the hospitality or tack box when used at the sale.

Caution should be taken to ensure power sockets within hospitality and tack boxes are not overloaded. Any queries should be raised with the Control Office.

Vendors who bring electrical equipment to Park Paddocks are required to have valid Public Liability Insurance to the value of £10,000,000.

All vendors bringing and using their own electrical equipment on site do so at their own risk.

b) Leaf blowers

Please note: only electric leaf blowers are to be used on site. Petrol powered leaf blowers are NOT permitted at any time.
